9 BE IT ENACTED BY THE GENERAL ASSEMBLY OF GEORGIA:

10 **PART I.**

11 **SECTION 1-1.**

12 Title 40 of the Official Code of Georgia Annotated, relating to motor vehicles and traffic, is
13 amended by adding a new Code Section 40-1-8 to read as follows:

14 "40-1-8.

15 (a) The State of Georgia considers that any person who drives or is in actual physical
16 control of any vehicle in violation of the laws of this state by consuming a prohibited level
17 of alcohol or by consuming any other drug constitutes a direct and immediate threat to the
18 welfare and safety of the general public.

19 (b) Any person who operates a motor vehicle upon the highways or elsewhere throughout
20 this state shall be deemed to have given consent to a chemical test or tests of his or her
21 blood, breath, urine, or other bodily substance for the purpose of determining the presence
22 of alcohol or any other drug.

23 (c) Any person who is dead, unconscious, or otherwise in a condition rendering such
24 person incapable of refusal shall be deemed not to have withdrawn the consent provided
25 by subsection (b) of this Code section, and the chemical test or tests of his or her blood,
26 breath, urine, or other bodily substance may be administered as provided in Article 9 of
27 Chapter 5 of this title."

28 **SECTION 1-2.**

29 Said title is further amended by adding a new Article 9 to Chapter 5, relating to drivers'
30 licenses, to read as follows:

"ARTICLE 9

40-5-200.

As used in this article, the term:

(1) 'Adequate breath sample' means a breath sample sufficient to cause the breath-testing instrument to produce a printed alcohol concentration analysis.

(2) 'Law enforcement officer' means any peace officer, jail officer, juvenile correctional officer, or law enforcement support personnel, as such terms are defined by Code Section 35-8-2, or any individual possessing a valid permit issued by the Division of Forensic Sciences of the Georgia Bureau of Investigation to administer breath tests.

(3) 'Medical facility' means a hospital, clinical laboratory, medical clinic, or similar medical institution.

40-5-201.

A law enforcement officer is authorized to obtain one or more chemical tests of a person's blood, breath, urine, or other bodily substance for the purpose of determining the presence of alcohol or any other drug if there is probable cause to believe that such person operated or was in actual physical control of a motor vehicle in violation of any of the provisions of Part 2 of Article 15 of Chapter 6 of this title. The law enforcement officer shall designate which test or tests shall be administered.

40-5-202.

(a) Prior to the administration of chemical tests to a person pursuant to this article, the implied consent notice as provided in subsection (c) of this Code section shall be read to such person.

(b) The notices provided in subsections (c) and (d) of this Code section shall be read in their entirety but need not be read exactly so long as the substance of the notice remains unchanged. If such notice is used to advise a person of his or her rights regarding the administration of chemical testing, such person shall be deemed to have been properly advised of his or her rights under this Code section. The informing of or failure to inform the accused person concerning the implied consent law shall not affect the admissibility of such results in any case, including a prosecution for a violation of Part 2 of Article 15 of Chapter 6 of this title. The informing of an accused person concerning the implied consent law shall only have application to and be relevant at a hearing concerning suspension of the driver's license of said person for a violation of the implied consent law.

1 (c) At the time a chemical test or tests are requested, the following implied consent notice
2 shall be read to the person:

3 'Georgia law requires you to submit to state administered chemical tests of your blood,
4 breath, urine, or other bodily substance for the purpose of determining if you are
5 operating a motor vehicle under the influence of alcohol or drugs or with a prohibited
6 substance in your body. If you submit to this testing, the results may be used against you
7 in a court of law or in an administrative proceeding. If you refuse to submit to this
8 testing, your Georgia driver's license or privilege to drive on the highways of this state
9 may be suspended for a minimum period of one year and your refusal may be used as
10 evidence against you. If you submit to the state's testing, you are entitled to additional
11 chemical tests of your blood, breath, urine, or other bodily substance at your own expense
12 and from qualified personnel of your own choosing. Will you submit to the state
13 administered testing under the implied consent law?'

14 (d) In addition to the implied consent notice, if the person is driving, operating, or in
15 physical control of a commercial motor vehicle, the following notice shall be read:

16 'If you submit to testing and the results indicate the presence of any alcohol, you will also
17 be issued an out-of-service order and will be prohibited from operating a commercial
18 motor vehicle for 24 hours. If the results indicate an alcohol concentration of 0.02 grams
19 or more, you will be disqualified from operating a commercial motor vehicle for a
20 minimum period of one year.'

21 (e) If the person submits to the state administered test or tests, such person may have a
22 qualified person of such person's choosing administer chemical tests in addition to any
23 tests administered at the direction of a law enforcement officer. The justifiable failure or
24 inability to obtain an additional test shall not preclude the admission of evidence relating
25 to the test or tests taken at the direction of a law enforcement officer.

26 (f) Nothing in this article shall be deemed to preclude the acquisition or admission of such
27 evidence if obtained by voluntary consent or a search warrant as authorized by the
28 Constitution or laws of this state or of the United States.

29 (g) Upon the request of the person who shall submit to a chemical test or tests designated
30 by a law enforcement officer, a copy of the results of the test or tests shall be made
31 available to such person or such person's attorney.

32 40-5-203.

33 (a) Any test authorized by Code Section 40-5-201 shall be performed according to methods
34 approved by the Division of Forensic Sciences of the Georgia Bureau of Investigation.

(b) Any test of a person's breath shall be performed on a machine approved by the Division of Forensic Sciences of the Georgia Bureau of Investigation which machine shall be operated with all its electronic and operating components prescribed by its manufacturer properly attached and in good working order. Such test shall be performed by an individual possessing a valid permit issued by the Division of Forensic Sciences for such purpose.

(c) The Division of Forensic Sciences of the Georgia Bureau of Investigation shall approve satisfactory techniques or methods to ascertain the qualifications and competence of individuals to conduct analyses and to issue permits, along with requirements for properly operating and maintaining any testing instruments, and to issue certificates certifying that instruments have met those requirements, which certificates and permits shall be subject to termination or revocation at the discretion of the Division of Forensic Sciences.

(d) In all cases where a law enforcement officer designates breath testing, two sequential breath samples shall be requested for the testing of alcohol concentration. For either or both of these sequential samples to be admissible in the state's or plaintiff's case-in-chief, the readings shall not differ from each other by an alcohol concentration of greater than 0.020 grams and the lower of the two results shall be determinative for accusation and indictment purposes and administrative license suspension purposes. No more than two sequential series of a total of two adequate breath samples each shall be requested by the law enforcement officer. A refusal to give an adequate sample or samples on any subsequent breath, blood, urine, or other bodily substance test shall not affect the admissibility of the results of any prior samples.

40-5-204.

(a) Each time an approved breath-testing instrument is inspected, the inspector shall prepare a certificate which shall be signed under oath by the inspector and which shall include the following language:

'This breath-testing instrument (serial no. _____) was thoroughly inspected, tested, and standardized by the undersigned on (date _____) and all of its electronic and operating components prescribed by its manufacturer are properly attached and are in good working order.'

(b) When properly prepared and executed, as prescribed in this Code section, the certificate shall, notwithstanding any other provision of law, be self-authenticating, shall be admissible in any court of law, and shall satisfy the requirements of this Code section and Code Section 40-5-203.

40-5-205.

(a) In all cases where a law enforcement officer designates blood testing pursuant to Code Section 40-5-202 for the purpose of determining the alcohol or other drug content, the sample may be drawn by a physician, physician's assistant, qualified technician, chemist, registered nurse, licensed practical nurse, medical technologist, medical laboratory technician, emergency medical technician, certified paramedic, phlebotomist, or other personnel trained to draw blood.

(b) For the purpose of establishing that a person was qualified to draw blood at the time the blood was drawn, the following shall be admissible as evidence:

(1) Certification by the office of the Secretary of State or by the Department of Human Resources that a person who drew blood was licensed or certified in accordance with the laws, rules, or regulations of this state;

(2) Records of a medical facility or employer, which records are duly certified by the custodian of such records as provided by Code Section 24-7-8, that certify that the person who drew the blood was properly trained and authorized to draw blood as an employee of the medical facility or employer;

(3) Testimony, under oath, of the person who drew the blood; or

(4) Testimony, under oath, of the supervisor of the person who drew the blood or the medical records custodian that the person who drew the blood was properly trained and authorized to draw blood as an employee of the medical facility or employer.

(c) A medical facility, physician, physician's assistant, qualified technician, chemist, registered nurse, licensed practical nurse, medical technologist, medical laboratory technician, emergency medical technician, certified paramedic, phlebotomist, or other personnel trained to draw blood; or a duly licensed clinical laboratory director, supervisor, technologist, technician, or employer thereof; or other person assisting a law enforcement officer shall not incur any civil, criminal, or administrative liability as a result of the withdrawal of a blood specimen requested in writing by a law enforcement officer with the consent of the accused as provided in subsection (d) of Code Section 40-5-202 or when ordered by a court of competent jurisdiction. Notwithstanding any other provision of law, obtaining a blood sample pursuant to this article shall not constitute the practice of medicine or any other profession relating to health care which is regulated, licensed, or certified by the state.

1 40-5-206.

2 (a) Whenever any resident or nonresident person is charged with a violation of Part 2 of
3 Article 15 of Chapter 6 of this title, the law enforcement officer shall take the driver's
4 license of the person so charged. The driver's license shall be attached to the court's copy
5 of the uniform traffic citation and complaint form and shall be forwarded to the court
6 having jurisdiction of the offense unless the law enforcement officer is required to submit
7 a report to the department pursuant to Code Section 40-5-207. Taking the driver's license
8 as required in this Code section shall not prohibit any law enforcement officer or agency
9 from requiring any cash bond authorized by Article 1 of Chapter 6 of Title 17.

10 (b) At the time the law enforcement officer takes the driver's license, the officer shall issue
11 a temporary driving permit to the person as follows:

12 (1) If the driver refuses to submit to a test or tests to determine the presence of alcohol
13 or drugs as required by this article, the officer shall issue a 30 day temporary driving
14 permit;

15 (2) If the driver's license is required to be suspended under Code Section 40-5-208, the
16 officer shall issue a 30 day temporary driving permit; or

17 (3) If the test or tests administered pursuant to this article indicate an alcohol
18 concentration less than the level for an administrative suspension of the license pursuant
19 to Code Section 40-5-208 but there are reasonable grounds to believe that the person
20 violated Code Section 40-6-410, the officer shall issue a 180 day temporary driving
21 permit.

22 (c) A temporary driving permit issued pursuant to subsection (b) of this Code section shall
23 be valid for the stated period or until the person's driving privilege is suspended or revoked
24 under any provision of this title. The department, at its sole discretion, may delay the
25 expiration date of the temporary driving permit, but in no event shall this delay extend
26 beyond the date when such person's driving privilege is suspended or revoked under any
27 provision of this title. The department shall by rules and regulations establish the
28 conditions under which the expiration of the temporary driving permit may be delayed.

29 (d)(1) If the person is convicted of violating or enters a plea of nolo contendere to a
30 violation of any of the provisions of Part 2 of Article 15 of Chapter 6 of this title, the
31 court shall, within ten days, forward the person's driver's license and the record of the
32 disposition of the case to the department. If such person is in possession of a temporary
33 driving permit issued pursuant to subsection (b) of this Code section, the court shall also
34 require the person to surrender such temporary driving permit instantan.

35 (2) If the person is not convicted of violating or does not enter a plea of nolo contendere
36 to a violation of any of the provisions of Part 2 of Article 15 of Chapter 6 of this title and

1 the court is in possession of the driver's license, the court shall return the driver's license
2 to the person unless the license is in suspension for any other offense, in which case the
3 court shall forward the license to the department for disposition.

4 40-5-207.

5 (a) A law enforcement officer shall submit a report to the department if:

6 (1) A person submits to a chemical test upon the request of a law enforcement officer
7 and the test results indicate that a suspension or disqualification is required under this
8 article; or

9 (2) A person refuses to submit to a chemical test designated by a law enforcement officer
10 as provided in this article.

11 (b) A report submitted pursuant to subsection (a) of this Code section shall be in writing,
12 signed by a law enforcement officer and in such form as the department shall prescribe.
13 Such report may be submitted electronically in accordance with Chapter 12 of Title 10, the
14 'Georgia Electronic Records and Signatures Act.' The signature of the officer, whether
15 actual or electronic, shall be considered an attestation of the officer that the facts contained
16 therein are true and correct.

17 (c) A law enforcement officer, acting on behalf of the department, shall personally serve
18 the notice of intention to suspend or disqualify the license of the arrested person or other
19 person refusing such test on such person at the time of the person's refusal to submit to a
20 test or at the time at which such a test indicates that suspension or disqualification is
21 required under Code Section 40-5-208.

22 (d) The law enforcement officer shall forward the person's driver's license to the
23 department along with the notice of intent to suspend or disqualify and the report required
24 by subsections (a) and (b) of this Code section within ten calendar days after the date of the
25 arrest of such person. This subsection shall not apply to any person issued a 180 day
26 temporary permit pursuant to subsection (b) of Code Section 40-5-206. The failure of the
27 officer to transmit the report required by this Code section within ten calendar days shall
28 not prevent the department from accepting such report and utilizing it in the suspension of
29 a driver's license as provided in this article.

30 40-5-208.

31 (a) Upon the receipt of the report of the law enforcement officer, the department shall
32 suspend the person's driver's license, permit, or nonresident operating privilege pursuant
33 to Code Section 40-5-209 if:

1 (1) The person submitted to a chemical test at the request of a law enforcement officer
2 and the test results indicated that:

3 (A) The person had an alcohol concentration of 0.08 grams or more;

4 (B) The person had an alcohol concentration of 0.02 grams or more and the person was
5 under the age of 21; or

6 (C) The person had an alcohol concentration of 0.02 grams or more and the person was
7 operating or was in actual physical control of a moving commercial motor vehicle; or

8 (2) The person refused to submit to the chemical test requested by a law enforcement
9 officer.

10 (b) If notice has not been given by a law enforcement officer pursuant to Code Section
11 40-5-207, the department, upon receipt of the report of such officer, shall suspend the
12 person's driver's license, permit, or nonresident operating privilege or disqualify such
13 person from operating a motor vehicle and, by regular mail, at the last known address,
14 notify such person of such suspension or disqualification. The notice shall inform the
15 person of the grounds of suspension or disqualification, the effective date of the suspension
16 or disqualification, and the right to review. The notice shall be deemed received three days
17 after mailing.

18 (c) The period of suspension provided for in this Code section shall be for a minimum
19 period of one year; provided, however, that such suspension shall be subject to review as
20 provided in this chapter. If the person was operating or in actual physical control of a
21 commercial motor vehicle, the department shall disqualify the person from operating a
22 commercial motor vehicle and shall suspend the person's driver's license, permit, or
23 nonresident operating privilege, subject to review as provided for in this chapter.

24 (d) If the person is a resident without a driver's license, commercial driver's license, or
25 permit to operate a motor vehicle in this state, the department shall deny issuance of a
26 license or permit to such person for the same period provided in subsection (c) of this Code
27 section for suspension of a license or permit or disqualification to operate a commercial
28 motor vehicle, subject to review as provided for in this chapter.

29 (e) Any driver's license required to be suspended under the provisions of this Code section
30 shall be suspended subject to the following terms and conditions:

31 (1) Upon the first suspension pursuant to this Code section or former Code Section
32 40-5-67.1 within the previous five years, as measured from the dates of previous arrests
33 for which a suspension was obtained to the date of the current arrest for which a
34 suspension is obtained, the period of suspension shall be for one year. Not sooner than
35 30 days following the effective date of suspension, the person may apply to the
36 department for reinstatement of his or her driver's license. Such license shall be

1 reinstated if such person submits proof of completion of a DUI Alcohol or Drug Use Risk
2 Reduction Program and pays a restoration fee of \$210.00, or \$200.00 when such
3 reinstatement is processed by mail, unless such conviction was a recidivist conviction in
4 which case the restoration fee shall be \$510.00, or \$500.00 when processed by mail. A
5 driver's license suspended pursuant to this Code section shall not become valid and shall
6 remain suspended until such person submits proof of completion of a DUI Alcohol or
7 Drug Use Risk Reduction Program and pays the prescribed restoration fee;

8 (2) Upon the second suspension pursuant to this Code section within five years or a
9 suspension imposed pursuant to this Code section within five years of a suspension
10 imposed pursuant to former Code Section 40-5-67.1, as measured from the dates of
11 previous arrests for which suspensions were obtained to the date of the current arrest for
12 which a suspension is obtained, the period of suspension shall be for three years. The
13 person shall be eligible to apply to the department for license reinstatement not sooner
14 than 18 months following the effective date of suspension. Such license shall be
15 reinstated if such person submits proof of completion of a DUI Alcohol or Drug Use Risk
16 Reduction Program and pays a restoration fee of \$210.00, or \$200.00 when such
17 reinstatement is processed by mail, unless such conviction was a recidivist conviction in
18 which case the restoration fee shall be \$510.00, or \$500.00 when processed by mail. A
19 driver's license suspended pursuant to this Code section shall not become valid and shall
20 remain suspended until such person submits proof of completion of a DUI Alcohol or
21 Drug Use Risk Reduction Program and pays the prescribed restoration fee; and

22 (3) Upon the third or subsequent suspension pursuant to this Code section singularly or
23 in combination with any suspension or suspensions imposed pursuant to former Code
24 Section 40-5-67.1 within five years, as measured from the dates of previous arrests for
25 which suspensions were obtained to the date of the current arrest for which a suspension
26 is obtained, the period of suspension shall be for five years. A driver's license suspended
27 pursuant to this Code section shall not become valid and shall remain suspended until
28 such person submits proof of completion of a DUI Alcohol or Drug Use Risk Reduction
29 Program and pays the prescribed restoration fee. The driver may apply for a probationary
30 license pursuant to Code Section 40-5-58 after the expiration of two years from the
31 effective date of suspension.

32 (f) An administrative license suspension pursuant to this Code section shall be counted
33 toward fulfillment of any period of suspension subsequently imposed as a result of a
34 conviction of violating Code Section 40-6-410, 40-6-411, 40-6-412, or 40-6-413 which
35 arises out of the same violation for which the administrative license suspension was
36 imposed. An administrative license suspension pursuant to this Code section shall run

1 concurrently with any revocation of such driver's license pursuant to a subsequent
2 determination that such person is a habitual violator.

3 (g) In all cases in which the department may return a license to a driver prior to the
4 termination of the full period of suspension, the department may require such tests of
5 driving skill and knowledge as it determines to be proper, and the department's discretion
6 shall be guided by the driver's past driving record and performance. The driver shall pay
7 a restoration fee of \$210.00, or \$200.00 when processed by mail.

8 (h) Any other provision of law to the contrary notwithstanding, a driver with no previous
9 conviction for a violation of Code Section 40-6-410, 40-6-411, 40-6-412, or 40-6-413 or
10 former Code Section 40-6-391 within the previous five years, as measured from the dates
11 of previous arrests for which convictions were obtained to the date of the current arrest,
12 during the period of administrative suspension contemplated under this article, shall be
13 entitled to a limited driving permit as provided in Code Section 40-5-64.

14 40-5-209.

15 (a)(1) A person whose driver's license is suspended or a person who is disqualified from
16 operating a commercial motor vehicle pursuant to this article shall request, in writing, a
17 hearing within ten business days from the date of personal notice or receipt of notice sent
18 by certified mail or statutory overnight delivery, return receipt requested, or the right to
19 said hearing shall be deemed waived. Within 30 days after receiving a written request
20 for a hearing, the department shall hold a hearing as provided in Chapter 13 of Title 50,
21 the 'Georgia Administrative Procedure Act.' The hearing shall be recorded.

22 (2) The scope of the hearing shall be limited to the following issues:

23 (A) Whether the law enforcement officer had reasonable grounds to believe the person
24 was driving or in actual physical control of a moving motor vehicle while under the
25 influence of alcohol, a drug, or any combination thereof or had a prohibited substance
26 in his or her body;

27 (B) Whether the law enforcement officer requested the person to submit to a state
28 administered chemical test;

29 (C) Whether at the time of the request for the test or tests the officer informed the
30 person of the person's implied consent rights and the consequence of submitting or
31 refusing to submit to such test; and

32 (D)(i) Whether the person refused the test; or

33 (ii)(I) Whether a test or tests were administered and the results indicated an alcohol
34 concentration of 0.08 grams or more or, for a person under the age of 21, an alcohol
35 concentration of 0.02 grams or more or, for a person operating or having actual

1 physical control of a commercial motor vehicle, an alcohol concentration of 0.02
2 grams or more; and

3 (II) Whether the test or tests were properly administered by an individual
4 possessing a valid permit issued by the Division of Forensic Sciences of the Georgia
5 Bureau of Investigation on an instrument approved by the Division of Forensic
6 Sciences or a test conducted by the Division of Forensic Sciences, including
7 whether the machine at the time of the test was operated with all its electronic and
8 operating components prescribed by its manufacturer properly attached and in good
9 working order. A copy of the operator's permit showing that the operator has been
10 trained on the particular type of instrument used and one of the original copies of
11 the test results or, where the test is performed by the Division of Forensic Sciences,
12 a copy of the crime lab report shall satisfy the requirements of this subparagraph.

13 (3) The hearing officer shall, within five calendar days after such hearing, forward a
14 decision to the department to rescind or sustain the driver's license suspension or
15 disqualification. If no hearing is requested within ten business days as specified in
16 paragraph (1) of this subsection, and the failure to request such hearing is due in whole
17 or in part to the reasonably avoidable fault of the person, the right to a hearing shall have
18 been waived. The request for a hearing shall not stay the suspension of the driver's
19 license; provided, however, that if the hearing is timely requested and is not held before
20 the expiration of the temporary permit and the delay is not due in whole or in part to the
21 reasonably avoidable fault of the person, the suspension shall be stayed until such time
22 as the hearing is held and the hearing officer's decision is made.

23 (4) In the event the person is acquitted of a violation of Code Section 40-6-410,
24 40-6-411, 40-6-412, or 40-6-413 or such charge is initially disposed of other than by a
25 conviction or plea of nolo contendere, then the suspension shall be terminated and deleted
26 from the driver's license record. An accepted plea of nolo contendere shall be entered
27 on the driver's license record and shall be considered and counted as a conviction for
28 purposes of any future violations of Code Section 40-6-410, 40-6-411, 40-6-412, or
29 40-6-413. In the event of an acquittal or other disposition other than by a conviction or
30 plea of nolo contendere, the driver's license restoration fee shall be promptly returned by
31 the department to the licensee.

32 (b) If the suspension is sustained after such a hearing, the person whose license has been
33 suspended under this Code section shall have a right to file for a judicial review of the
34 department's final decision, as provided in Chapter 13 of Title 50, the 'Georgia
35 Administrative Procedure Act.' While such appeal is pending, the order of the department
36 shall not be stayed.

1 40-5-210.

2 (a) Subject to the limitations of this subsection, any law enforcement officer who attends
3 a hearing provided for by Code Section 40-5-209 for the purpose of giving testimony
4 relative to the subject of such hearing shall be compensated in the same amount as is
5 authorized as per diem for law enforcement officers pursuant to Code Section 24-10-27 for
6 each day's attendance at such hearing. In the event a law enforcement officer gives
7 testimony at two or more different hearings on the same day, such officer shall receive only
8 \$20.00 for attendance at all hearings.

9 (b) The compensation provided for in this Code section shall not be paid to any law

12 this Code section shall be paid to the law enforcement officer by the department from
13 department funds at such time and in such manner as the commissioner shall provide by
14 rule.

15 (c) A law enforcement officer requesting compensation pursuant to this Code section shall

5 Sections 40-6-410 through 40-6-413 shall constitute a conviction.

6 (c) When a defendant has been convicted of violating, by a single transaction, more than
7 one of the provisions of Code Sections 40-6-410 through 40-6-413, the court shall merge

13 through a contempt proceeding or a revocation of any probation otherwise authorized by
14 this Code section.

27 hours of the defendant. A weekend shall commence and shall end in the discretion of the
28 sentencing judge, and the nonworking hours of the defendant shall be determined in the
29 discretion of the sentencing judge; provided, however, that the judge shall retain plenary
30 control of the defendant at all times during the sentence period. Confinement during the

33 (2) Any confinement of a person pursuant to a sentence to a period of imprisonment for
34 a violation of Code Section 40-6-413 shall be served in a county jail; provided, however,
35 that, for the first such violation, such person shall be kept segregated from all offenders

13 while driving a school bus, be punished by imprisonment for a period of not less than one
14 year nor more than five years or by a fine of not less than \$1,000.00 nor more than
15 \$5,000.00, or both.

16 (b) Any violation of this Code section shall be considered a separate offense.

17 40-6-417.

18 (a) Except as provided in subsection (b) of this Code section, upon the trial of any civil or
19 criminal action or proceeding arising out of acts alleged to have been committed by any
20 person in violation of this part, the amount of alcohol in the person's blood at the time
21 alleged, as shown by chemical analysis of the person's blood, urine, breath, or other bodily
22 substance, may give rise to inferences as follows:

23 (1) If there was at that time an alcohol concentration of 0.05 grams or less, the trier of
24 fact in its discretion may infer therefrom that the person was not under the influence of
25 alcohol, as prohibited by paragraphs (1) and (4) of Code Section 40-6-410;

26 (2) If there was at that time an alcohol concentration in excess of 0.05 grams but less
27 than 0.08 grams, such fact shall not give rise to any inference that the person was or was
28 not under the influence of alcohol, as prohibited by paragraphs (1) and (4) of Code
29 Section 40-6-410, but such fact may be considered by the trier of fact with other
30 competent evidence in determining whether the person was under the influence of
31 alcohol, as prohibited by paragraphs (1) and (4) of Code Section 40-6-410; or

32 (3) If there was at that time an alcohol concentration of 0.08 grams or more, the trier of
33 fact in its discretion may infer therefrom that the person was under the influence of
34 alcohol, as prohibited by paragraphs (1) and (4) of Code Section 40-6-410.

(b)(1) In any civil or criminal action or proceeding arising out of acts alleged to have been committed in violation of paragraph (1) of Code Section 40-6-411, if there was at that time or within three hours after driving or being in actual physical control of a moving vehicle from alcohol consumed before such driving or being in actual physical control ended an alcohol concentration of 0.08 or more grams in the person's blood, breath, urine, or other bodily substance, the person shall be in violation of paragraph (1) of Code Section 40-6-411.

(2) In any civil or criminal action or proceeding arising out of acts alleged to have been committed by any person in violation of Code Section 40-6-412, if there was at that time or within three hours after driving or being in actual physical control of a moving vehicle from alcohol consumed before such driving or being in actual physical control ended an alcohol concentration of 0.02 grams or more in the person's blood, breath, urine, or other bodily substance, the person shall be in violation of Code Section 40-6-412.

(3) In any civil or criminal action or proceeding arising out of acts alleged to have been committed by any person in violation of Code Section 40-6-413, if there was at that time or within three hours after driving or being in actual physical control of a moving vehicle from alcohol consumed before such driving or being in actual physical control ended an alcohol concentration of 0.02 grams or more in the person's blood, breath, urine, or other bodily substance, the person shall be in violation of Code Section 40-6-413.

(c) In any civil or criminal action or proceeding arising out of acts alleged to have been committed by any person in violation of Code Section 40-6-410, the refusal of the defendant to submit to a chemical analysis of his or her blood, breath, urine, or other bodily substance, or the failure to provide an adequate sample, shall be admissible in evidence against the person. The trier of fact, in its discretion, may infer from such refusal that any test given would have shown the presence of alcohol, drugs, or other prohibited substances.

40-6-418.

The fact that any person charged with violating any of the provisions of this part is or has been legally entitled to use alcohol, marijuana, or a drug shall not constitute a defense against any charge of violating this part.

40-6-419.

(a) Any conviction of or plea of nolo contendere to a violation of any local ordinance adopted pursuant to Article 14 of this chapter, which ordinance adopts the provisions of this part, shall be deemed to be a prior conviction under this part.

1 (b) Any conviction of or plea of nolo contendere to a violation of former Code Section
2 40-6-391, or any local ordinance adopted pursuant to Article 14 of this chapter, which
3 ordinance adopted the provisions of former Code Section 40-6-391, shall be deemed to be
4 a prior conviction under this part.

5 (c) Any conviction of or plea of nolo contendere to a violation of any previously or
6 currently existing law of this state or its political subdivisions or authorities; of the United
7 States or its territories, dominions, and possessions; or of the several states or the political
8 subdivisions of such states which, at the time such violation occurred, was the same or
9 substantially conformed to the laws of this state shall be deemed to be a prior conviction
10 under this part. For the purposes of this part, a conviction or plea of nolo contendere in a
11 tribal court shall be deemed to be conviction by a court of the United States.

12 40-6-420.

13 (a) The decision to accept a plea of nolo contendere to a charge of violating the provisions
14 of this part shall be at the sole discretion of the judge; but, if such plea is accepted, the
15 penalties provided for in Code Section 40-6-414 shall be imposed; provided, however, that
16 no such plea of nolo contendere shall be accepted if the person is charged with violating
17 the provisions of Code Section 40-6-410, 40-6-411, 40-6-412, or 40-6-413 and had an
18 alcohol concentration of more than 0.15 grams at any time within three hours after driving
19 or being in control of any moving vehicle from alcohol consumed before such driving or
20 being in control ended.

21 (b) If the defendant has not been convicted of or had a plea of nolo contendere accepted
22 to a charge of violating the provisions of Code Section 40-6-410, 40-6-411, 40-6-412, or
23 40-6-413 within the previous five years and if the plea of nolo contendere shall be used as
24 provided in paragraph (1) of subsection (a) of Code Section 40-5-63, no such plea shall be
25 accepted unless, at a minimum, the following conditions are met:

26 (1) The defendant has filed a verified petition with the court requesting that such plea be
27 accepted and setting forth the facts and special circumstances necessary to enable the
28 judge to determine that accepting such plea is in the best interest of justice; and

29 (2) The judge has reviewed the defendant's driving records that are on file with the
30 Department of Driver Services.

31 (c) The judge, as part of the record of the disposition of the charge, shall set forth, under
32 seal of the court, his or her reasons for accepting the plea of nolo contendere.

33 (d) The record of the disposition of the case, including the ruling required in subsection (c)
34 of this Code section, shall be forwarded to the Department of Driver Services within ten
35 days after disposition.

(e) If a plea of nolo contendere is accepted under the conditions set forth in subsection (b) of this Code section, the defendant's driver's license shall be forwarded to the Department of Driver Services as provided in subsection (d) of Code Section 40-5-206.

40-6-421.

The provisions of Code Section 17-10-3, relating to general punishment for misdemeanors including traffic offenses, and the provisions of Article 3 of Chapter 8 of Title 42, relating to probation of first offenders, shall not apply to any person convicted or adjudicated of violating any provision of this article.

40-6-422.

(a) Notwithstanding the limits set forth in any municipal charter, any municipal court of any municipality shall be authorized to impose the punishments provided for in Code Section 40-6-414 upon a conviction of violating Code Sections 40-6-410 through 40-6-413 or upon a conviction of violating any ordinance adopting the provisions of this article.

(b) Any court authorized to hear cases involving violations of Code Sections 40-6-410 through 40-6-413 shall be authorized to exercise the power to probate, suspend, or stay any sentence imposed. Such power shall, however, be limited to the conditions and limitations imposed by Code Section 40-6-414.

40-6-423.

(a) In addition to any other provisions of law, the clerk of the court in which a person is convicted a second or subsequent time of a violation of this article within five years, as measured from the dates of previous arrests for which convictions were obtained or pleas of nolo contendere were accepted to the date of the current arrest for which a conviction is obtained or a plea of nolo contendere is accepted, shall cause to be published a notice of conviction for each such person convicted. Such notices of conviction shall be published in the manner of legal notices in the legal organ of the county in which such person resides or, in the case of nonresidents, in the legal organ of the county in which the person was convicted. Such notice of conviction shall be one column wide by two inches long and shall contain the photograph taken by the arresting law enforcement agency at the time of arrest, name and address of the convicted person, and the date, time, place of arrest, and disposition of the case and shall be published once in the legal organ of the appropriate county in the second week following such conviction or as soon thereafter as publication may be made.

(b) The convicted person for which a notice of conviction is published pursuant to this Code section shall be assessed \$25.00 for the cost of publication of such notice and such assessment shall be imposed at the time of conviction in addition to any other fine imposed pursuant to this Code section.

(c) The clerk of the court, the publisher of any legal organ which publishes a notice of conviction, and any other person involved in the publication of an erroneous notice of conviction shall be immune from civil or criminal liability for such erroneous publication, provided that such publication was made in good faith.

40-6-424.

Upon the trial of any civil or criminal action or proceeding arising out of acts alleged to have been committed by any person in violation of this part, evidence of the amount of alcohol or drug in a person's blood, urine, breath, or other bodily substance obtained in accordance with the provisions of this part shall be admissible.

40-6-425.

(a) Except as provided in this Code section, any motor vehicle operated by a person who has been declared a habitual violator for three violations of any of the provisions of this part and whose license has been revoked is declared to be contraband and subject to forfeiture to the state, as provided in this Code section.

(b) Any motor vehicle subject to forfeiture under subsection (a) of this Code section shall be seized upon determination by any peace officer or law enforcement agency of this state or any political subdivision thereof who has the power to make arrests and whose duty it is to enforce this part that said motor vehicle is contraband as provided in subsection (a) of this Code section. When a motor vehicle is seized pursuant to this Code section, the peace officer seizing the same shall report the fact of seizure, within 20 days thereof, to the district attorney of the judicial circuit having jurisdiction in the county where the seizure was made.

(c) In any action under this Code section, the court may enter such restraining orders or take other appropriate action, including acceptance of performance bonds, in connection with any interest in the motor vehicle that is subject to forfeiture.

(d) Within 60 days of the date of the seizure of a motor vehicle pursuant to this Code section, the district attorney shall initiate a forfeiture proceeding as provided in Code Section 16-13-49. If the state fails to initiate forfeiture proceedings against property seized for forfeiture by notice of pending forfeiture within the time limits specified in this subsection and subsection (b) of this Code section, the property must be released on the

request of an owner or interest holder, pending further proceedings pursuant to this Code section, unless the property is being held as evidence.

(e) An owner or interest holder, as defined by subsection (a) of Code Section 16-13-49, may establish as a defense to the forfeiture of property which is subject to forfeiture under this Code section the applicable provisions of subsection (e) or (f) of Code Section 16-13-49.

(f) Property which is forfeited pursuant to this Code section shall be disposed of as provided in Code Section 16-13-49.

(g) The proceeds arising from such sale shall be deposited into the general treasury of the state or any other governmental unit whose law enforcement agency it was that originally seized the motor vehicle. It is the intent of the General Assembly that, where possible, proceeds deposited into the state treasury should be used and that proceeds vested in any local governmental unit shall be applied to fund alcohol or drug treatment, rehabilitation, and prevention and education programs, after making the necessary expenditures for:

(1) Any cost incurred in the seizure;

(2) The costs of the court and its officers; and

(3) Any costs incurred in the storage, advertisement, maintenance, or care of the motor vehicle.

(h) In any case where a motor vehicle which is the only family vehicle is determined to be subject to forfeiture, the court may, if it determines that the financial hardship to the family as a result of the forfeiture and sale outweighs the benefit to the state from such forfeiture, order the title to the vehicle transferred to such other family member who is a duly licensed operator and who requires the use of such vehicle for employment or family transportation purposes. Such transfer shall be subject to any valid liens and shall be granted only once."

Said title is further amended by striking Code Section 40-5-57.1, relating to suspension of licenses of persons under age 21 for certain offenses and suspension of licenses of persons under age 18 for certain point accumulations, and inserting in lieu thereof a new Code Section 40-5-57.1 to read as follows:

"40-5-57.1.

by the department as provided by this Code section; and the driver's license of any person under 18 years of age who has accumulated a violation point count of four or more points under Code Section 40-5-57 in any consecutive 12 month period shall be suspended by the department as provided by this Code section. A plea of nolo contendere shall be considered a conviction for purposes of this subsection. Notice of suspension shall be given by certified mail or statutory overnight delivery, return receipt requested; or, in lieu thereof, notice may be given by personal service upon such person. Such license shall be surrendered within ten days of notification of such suspension. Notice given by certified mail or statutory overnight delivery, return receipt requested, mailed to the person's last known address shall be prima-facie evidence that such person received the required notice.

(b) A person whose driver's license has been suspended under subsection (a) of this Code section shall:

(1) Subject to the requirements of subsection (c) of this Code section and except as otherwise provided by paragraph (2) of this subsection:

(A) Upon a first such suspension, be eligible to apply for license reinstatement and, subject to payment of required fees, have his or her driver's license reinstated after six months; and

(B) Upon a second or subsequent such suspension, be eligible to apply for license reinstatement and, subject to payment of required fees, have his or her driver's license reinstated after 12 months; or

(2)(A) If the driver's license was suspended upon conviction for violation of former Code Section 40-6-391 or Part 2 of Article 15 of Chapter 6 of this title, be subject to the provisions of Code Section 40-5-63.

(B) If such driver was convicted of driving under the influence of alcohol or of having an unlawful alcohol concentration and is otherwise subject to the provisions of paragraph (1) of subsection (a) of Code Section 40-5-63, then such person shall not be eligible for a limited driving permit under Code Section 40-5-64, and:

(i) If the driver's alcohol concentration at the time of the offense was less than 0.08 grams, he or she shall not be eligible for license reinstatement until the end of six months; or

(ii) If the driver's alcohol concentration at the time of the offense was 0.08 grams or more, he or she shall not be eligible for license reinstatement until the end of 12 months.

(b.1) In any case where a person's driver's license was administratively suspended as a result of the offense for which the person's driver's license has been suspended pursuant to this Code section, the administrative license suspension period and the license suspension period provided by this Code section may run concurrently, and any completed portion of such administrative license suspension period shall apply toward completion of the license suspension period provided by this Code section.

(c) Any driver's license suspended under subsection (a) of this Code section for commission of any offense other than violation of former Code Section 40-6-391 or Part 2 of Article 15 of Chapter 6 of this title shall not become valid and shall remain suspended until such person submits proof of completion of a defensive driving program approved by the department and pays a fee equivalent to that required for restoration of a suspended driver's license under paragraph (1) of subsection (a) of Code Section 40-5-63; provided, however, that such fee shall not be required under this subsection if such person's driver's license was administratively suspended as a result of the offense for which the person's driver's license has been suspended pursuant to this Code section and the restoration fee was paid for such administratively suspended driver's license.

(d) A suspension provided for in this Code section shall be imposed based on the person's age on the date of the conviction giving rise to the suspension."

SECTION 2-22.

Said title is further amended by striking Code Section 40-5-58, relating to habitual violators, and inserting in lieu thereof a new Code Section 40-5-58 to read as follows:

1 "40-5-58.

2 (a) As used in this Code section, 'habitual violator' means any person who has been
3 arrested and convicted within the United States three or more times within a five-year
4 period of time, as measured from the dates of previous arrests for which convictions were
5 obtained to the date of the most recent arrest for which a conviction was obtained, of:

6 (1) Committing any offense covered under Code Section 40-5-54 or former Code
7 Sections 40-6-391 through 40-6-395 or Part 2 of Article 15 of Chapter 6 of this title or
8 violating a federal law or regulation or the law of any state or a valid municipal or county
9 ordinance substantially conforming to any offense covered under Code Section 40-5-54
10 or ~~Code Sections 40-6-391 through 40-6-395~~ Part 2 of Article 15 of Chapter 6 of this
11 title; or

12 (2) Singularly or in combination, any of the offenses described in paragraph (1) of this
13 subsection.

14 Convictions for violations of former Code Section 40-6-391 shall be given the same effect
15 as convictions for violations of Part 2 of Article 15 of Chapter 6 of this title for the purpose
16 of this Code section if the arrest or arrests for such violations occurred on or before June
17 30, 2006.

18 (b) When the records of the department disclose that any person has been arrested and
19 convicted of a violation of Chapter 6 of this title, or of a valid local ordinance adopted
20 pursuant thereto, of an offense occurring on or after January 1, 1976, which record of arrest
21 and conviction, when taken with and added to previous arrests and convictions of such
22 person as contained in the files of the department, reveals that such person is a habitual
23 violator as defined in subsection (a) of this Code section, the department shall forthwith
24 notify such person that upon the date of notification such person has been declared by the
25 department to be a habitual violator, and that henceforth it shall be unlawful for such
26 habitual violator to operate a motor vehicle in this state unless otherwise provided in this
27 Code section. Notice shall be given by certified mail or statutory overnight delivery, with
28 return receipt requested; or, in lieu thereof, notice may be given by personal service upon
29 such person. In the event that at the time of determination the habitual violator had been
30 issued a driver's license, such license shall be revoked by such notice and shall be
31 surrendered to the department within ten days of notification of such determination. For
32 the purposes of this chapter, notice given by certified mail or statutory overnight delivery
33 with return receipt requested mailed to the person's last known address shall be prima-facie
34 evidence that such person received the required notice. In addition to the procedure set
35 forth in this subsection, the sentencing judge or prosecutor in a conviction which
36 conviction classifies the defendant as a habitual violator may, at the time of sentencing,

1 declare such defendant to be a habitual violator. The judge or prosecutor shall, when
2 declaring a defendant to be a habitual violator, then give personal notice to such defendant
3 on forms provided by the department that henceforth it shall be unlawful for such habitual
4 violator to operate a motor vehicle in this state unless otherwise provided in this Code
5 section. The judge or prosecutor, as the case may be, shall within three days forward to the
6 department the order declaring that the defendant is a habitual violator, the notice of
7 service, with the defendant's driver's license or a sworn affidavit of the defendant
8 declaring that the driver's license has been lost, and the department's copy of the uniform
9 citation or the official notice of conviction attached thereto.

10 (c)(1) Except as provided in paragraph (2) of this subsection or in subsection (e) of this
11 Code section, it shall be unlawful for any person to operate any motor vehicle in this state
12 after such person has received notice that his or her driver's license has been revoked as
13 provided in subsection (b) of this Code section, if such person has not thereafter obtained
14 a valid driver's license. Any person declared to be a habitual violator and whose driver's
15 license has been revoked under this Code section and who is thereafter convicted of
16 operating a motor vehicle before the department has issued such person a driver's license
17 or before the expiration of five years from such revocation, whichever occurs first, shall
18 be punished by a fine of not less than \$750.00 or by imprisonment in the penitentiary for
19 not less than one nor more than five years, or both. Any person declared to be a habitual
20 violator and whose driver's license has been revoked and who is convicted of operating
21 a motor vehicle after the expiration of five years from such revocation but before the
22 department has issued such person a driver's license shall be guilty of a misdemeanor.

23 (2) Any person declared to be a habitual violator as a result of three or more convictions
24 of violations of former Code Section 40-6-391 or Part 2 of Article 15 of Chapter 6 of this
25 title within a five-year period of time, as measured from the dates of previous arrests for
26 which convictions were obtained to the date of the most recent arrest for which a
27 conviction was obtained, and who is thereafter convicted of operating a motor vehicle
28 during such period of revocation, prior to the issuance of a probationary license under
29 subsection (e) of this Code section or before the expiration of five years, shall be guilty
30 of the felony of habitual impaired driving and shall be punished by a fine of not less than
31 \$1,000.00 or by imprisonment in the penitentiary for not less than one nor more than five
32 years, or both.

33 (d) Notwithstanding any contrary provisions of Code Section 17-7-95, for the purposes of
34 this Code section, any plea of nolo contendere entered and accepted after January 1, 1976,
35 shall be considered a conviction.

(e)(1) Notwithstanding any contrary provisions of this Code section or any other Code section of this chapter, any person who has been declared a habitual violator and who has had his or her driver's license revoked under subsection (b) of this Code section for a period of five years and two years have expired since the date on which such person's license was surrendered or an affidavit was accepted as provided in subsection (e) of Code Section 40-5-61, such person may be issued a probationary driver's license for a period of time not to exceed three years upon compliance with the following conditions:

(A) Such person has not been convicted, or pleaded nolo contendere to a charge, of violating any provision of this chapter or any local ordinance relating to the movement of vehicles for a period of two years immediately preceding the application for a probationary driver's license;

(B) Such person has not been convicted, or pleaded nolo contendere to a charge, of a violation of any provision of this chapter which resulted in the death or injury of any individual;

(C) Such person has successfully completed, prior to the issuance of the probationary driver's license, a defensive driving course or a DUI Alcohol or Drug Use Risk Reduction Program as designated by the department;

(D) Such person has not been convicted, or pleaded nolo contendere to a charge, of violating any provision of Title 3, relating to alcoholic beverages, or of violating any provision of Chapter 13 of Title 16, relating to controlled substances;

(E) Such person shall submit a sworn affidavit that such person does not excessively use alcoholic beverages and does not illegally use controlled substances or marijuana. It shall be a misdemeanor to falsely swear on such affidavit and, upon conviction, the probationary license shall be revoked. No probationary license shall be issued during the remainder of the revocation period, and no driver's license shall be issued for the remainder of the original revocation period or for a period of two years from the date of conviction under this subparagraph;

(F) Such person submits proof of financial responsibility as provided in Chapter 9 of this title; and

(G) Refusal to issue a probationary driver's license would cause extreme hardship to the applicant. For the purposes of this subsection, the term 'extreme hardship' means that the applicant cannot reasonably obtain other transportation, and, therefore, the applicant would be prohibited from:

(i) Going to his or her place of employment or performing the normal duties of his or her occupation;

(ii) Receiving scheduled medical care or obtaining prescription drugs;

(iii) Attending a college or school at which he or she is regularly enrolled as a student;

(iv) Attending regularly scheduled sessions or meetings of support organizations for persons who have addiction or abuse problems related to alcohol or other drugs, which organizations are recognized by the commissioner; or

(v) Attending under court order any driver education or improvement school or alcohol or drug treatment program or course approved by the court which entered the judgment of conviction resulting in revocation of his or her driver's license or by the commissioner.

(2) Application for a probationary driver's license shall be made upon such forms as the commissioner may prescribe. Such forms shall require such information as is necessary for the department to determine the need for such license. All applications shall be signed by the applicant before a person authorized to administer oaths.

(3) Upon compliance with the above conditions and the payment of a fee of \$210.00, or \$200.00 when processed by mail, such person may be issued a probationary driver's license by the department. Upon payment of a fee in an amount the same as that provided by Code Section 40-5-25 for issuance of a Class C driver's license, a person may be issued a replacement for a lost or destroyed probationary driver's license issued to him or her.

(4) A probationary driver's license shall be endorsed with such conditions as the commissioner deems necessary to ensure that such license will be used by the licensee only to avoid the conditions of extreme hardship. Such conditions may include the following restrictions:

(A) Specific places between which the licensee may be allowed to operate a motor vehicle;

(B) Routes to be followed by the licensee;

(C) Times of travel;

(D) The specific vehicles which the licensee may operate; and

(E) Such other restrictions as the department may require.

(5) A probationary driver's license issued pursuant to this Code section shall become invalid upon the expiration of the period of the suspension or revocation of the driver's license of such person.

(6)(A)(i) Any probationary licensee violating the provisions of paragraph (4) of this subsection or operating a vehicle in violation of any conditions specified in this subsection shall be guilty of a misdemeanor.

(ii) Except as provided in division (iii) of this subparagraph, any probationary licensee violating any state law or local ordinance involving an offense listed in Code Section 40-5-54 or ~~Code Section 40-6-391~~ Part 2 of Article 15 of Chapter 6 of this title shall be guilty of a felony and shall be punished by a fine of not less than \$1,000.00 or by imprisonment in the penitentiary for not less than one nor more than five years, or both.

(iii) Any probationary licensee violating any state law or local ordinance involving a felony offense listed in Code Section 40-5-54 shall be guilty of a felony and shall be punished as is provided for conviction of such felony.

(B) Any probationary licensee who is convicted of violating, or who pleads nolo contendere to a charge of violating, any state law or local ordinance involving an offense listed in Code Section 40-5-54 or former Code Section 40-6-391 or Part 2 of Article 15 of Chapter 6 of this title or any probationary licensee who is convicted of violating, or who pleads nolo contendere to a charge of violating, the conditions endorsed on his or her license, shall have his or her license revoked by the department. Any court in which such conviction is had or in which said nolo contendere plea is accepted shall require the licensee to surrender the license to the court. The court shall forward the license to the department within ten days after the conviction or acceptance of the plea, with a copy of the conviction. Any person whose probationary license is revoked for committing an offense listed in Code Section 40-5-54 or former Code Section 40-6-391 or Part 2 of Article 15 of Chapter 6 of this title shall not be eligible to apply for a regular driver's license until the expiration of the original five-year revocation period during which the probationary license was originally issued or for a period of two years following the conviction, whichever is greater.

(C) If the commissioner has reason to believe or makes a preliminary finding that the requirements of the public safety or welfare outweigh the individual needs of a person for a probationary license, the commissioner, in his or her discretion, after affording the person notice and an opportunity to be heard, may refuse to issue the license under this subsection.

(D) Any person whose probationary driver's license has been revoked shall not be eligible to apply for a subsequent probationary license under this Code section for a period of five years.

(7) Any person whose probationary license has been revoked or who has been refused a probationary license by the department may make a request in writing for a hearing to be provided by the department. Such hearing shall be provided by the department within 30 days after the receipt of such request and shall follow the procedures required by

Chapter 13 of Title 50, the 'Georgia Administrative Procedure Act.' Appeal from such hearing shall be in accordance with Chapter 13 of Title 50.

(f) If a person's license was revoked for a violation of former Code Section 40-6-391 or Part 2 of Article 15 of Chapter 6 of this title resulting from a motor vehicle collision in which any person lost his or her life, the person whose license was revoked shall not be entitled to a probationary license as set forth in this Code section."

SECTION 2-23.

Said title is further amended by striking subsection (b) of Code Section 40-5-62, relating to periods of suspension, and inserting in lieu thereof a new subsection (b) to read as follows:

"(b) The department shall not issue a new license nor restore a person's suspended license or nonresident's operating privilege unless and until it is satisfied after investigation of the character, habits, and driving ability of such person that it will be safe to grant the privilege of driving a motor vehicle on the public highways. Notwithstanding subsection (a) of this Code section or any other provision of this title, the department shall not issue a new license to any person whose license was revoked as a habitual violator for three violations of former Code Section 40-6-391 or Part 2 of Article 15 of Chapter 6 of this title within a five-year period unless and until such person submits proof of completion of an approved DUI Alcohol or Drug Use Risk Reduction Program. The department may issue rules and regulations providing for reinstatement hearings. In the case of a revocation pursuant to Code Section 40-5-58, the department shall charge a fee of \$210.00_± or \$200.00 if processed by mail_± in addition to the fee prescribed by Code Section 40-5-25 to issue a new driver's license to a person whose driver's license has been revoked."

SECTION 2-24.

Said title is further amended by striking subsections (a), (b), and (c) of Code Section 40-5-63, relating to periods of revocation, and inserting in lieu thereof new subsections (a), (b), and (c) to read as follows:

"(a) The driver's license of any person convicted of an offense listed in Code Section 40-5-54 or of violating former Code Section 40-6-391 or Part 2 of Article 15 of Chapter 6 of this title, unless the driver's license has been previously suspended pursuant to former Code Sections 40-5-67.1 and 40-5-67.2 or Article 9 of this chapter, shall by operation of law be suspended and such suspension shall be subject to the following terms and conditions; provided, however, that any person convicted of a drug related offense pursuant to former Code Section 40-6-391 or Part 2 of Article 15 of Chapter 6 of this title shall be governed by the suspension requirements of Code Section 40-5-75:

(1) Upon the first conviction of any such offense, with no arrest and conviction of and no plea of nolo contendere accepted to such offense within the previous five years, as measured from the dates of previous arrests for which convictions were obtained to the date of the current arrest for which a conviction is obtained, the period of suspension shall be for 12 months. At the end of 120 days, the person may apply to the department for reinstatement of said driver's license. Such license shall be reinstated if such person submits proof of completion of a DUI Alcohol or Drug Use Risk Reduction Program and pays a restoration fee of ~~\$210~~ \$210.00, or ~~\$200~~ \$200.00 when such reinstatement is processed by mail, unless such conviction was a recidivist conviction in which case the restoration fee shall be ~~\$510.00~~ \$500.00 when such reinstatement is processed by mail, provided that, if such license was suspended as a result of a conviction of an offense listed in Code Section 40-5-54, such license shall be reinstated if such person submits proof of completion of either a defensive driving program approved by the department or a DUI Alcohol or Drug Use Risk Reduction Program and pays the prescribed restoration fee. A driver's license suspended as a result of a conviction of a violation of former Code Section 40-6-391 or Part 2 of Article 15 of Chapter 6 of this title shall not become valid and shall remain suspended until such person submits proof of completion of a DUI Alcohol or Drug Use Risk Reduction Program and pays the prescribed restoration fee. For purposes of this paragraph, an accepted plea of nolo contendere to an offense listed in Code Section 40-5-54 by a person who is under 18 years of age at the time of arrest shall constitute a conviction. For the purposes of this paragraph only, an accepted plea of nolo contendere by a person 21 years of age or older, with no conviction of and no plea of nolo contendere accepted to a charge of violating former Code Section 40-6-391 or Part 2 of Article 15 of Chapter 6 of this title within the previous five years, as measured from the dates of previous arrests for which convictions were obtained or pleas of nolo contendere accepted to the date of the current arrest for which a plea of nolo contendere is accepted, shall be considered a conviction, and the court having jurisdiction shall forward, as provided in ~~Code Section 40-6-391~~ Part 2 of Article 15 of Chapter 6 of this title, the record of such disposition of the case to the department and the record of such disposition shall be kept on file for the purpose of considering and counting such accepted plea of nolo contendere as a conviction under paragraphs (2) and (3) of this subsection;

(2) Upon the second conviction of any such offense within five years, as measured from the dates of previous arrests for which convictions were obtained to the date of the current arrest for which a conviction is obtained, the period of suspension shall be for three years. At the end of 120 days, the person may apply to the department for

1 reinstatement of said driver's license; except that if such license was suspended as a result
2 of a second conviction of a violation of former Code Section 40-6-391 or Part 2 of Article
3 15 of Chapter 6 of this title within five years, the person shall not be eligible to apply for
4 license reinstatement until the end of 18 months. Such license shall be reinstated if such
5 person submits proof of completion of a DUI Alcohol or Drug Use Risk Reduction
6 Program and pays a restoration fee of ~~\$210~~ \$210.00, or ~~\$200~~ \$200.00 when such
7 reinstatement is processed by mail, unless such conviction was a recidivist conviction in
8 which case the restoration fee shall be \$510.00, or \$500.00 when processed by mail,
9 provided that, if such license was suspended as a result of a conviction of an offense
10 listed in Code Section 40-5-54, such license shall be reinstated if such person submits
11 proof of completion of either a defensive driving program approved by the department
12 or a DUI Alcohol or Drug Use Risk Reduction Program and pays the prescribed
13 restoration fee. A driver's license suspended as a result of a conviction of a violation of
14 former Code Section 40-6-391 or Part 2 of Article 15 of Chapter 6 of this title shall not
15 become valid and shall remain suspended until such person submits proof of completion
16 of a DUI Alcohol or Drug Use Risk Reduction Program and pays the prescribed
17 restoration fee. For purposes of this paragraph, a plea of nolo contendere and all previous
18 accepted pleas of nolo contendere to an offense listed in Code Section 40-5-54 within
19 such five-year period of time shall constitute a conviction. For the purposes of this
20 paragraph, a plea of nolo contendere to a charge of violating former Code Section
21 40-6-391 or Part 2 of Article 15 of Chapter 6 of this title and all prior accepted pleas of
22 nolo contendere within five years, as measured from the dates of previous arrests for
23 which convictions were obtained or pleas of nolo contendere were accepted to the date
24 of the current arrest for which a plea of nolo contendere is accepted, shall be considered
25 and counted as convictions; or

26 (3) Upon the third conviction of any such offense within five years, as measured from
27 the dates of previous arrests for which convictions were obtained to the date of the
28 current arrest for which a conviction is obtained, such person shall be considered a
29 habitual violator, and said license shall be revoked as provided for in paragraph (1) of
30 subsection (a) of Code Section 40-5-62. For purposes of this paragraph, a plea of nolo
31 contendere and all previous accepted pleas of nolo contendere to an offense listed in
32 Code Section 40-5-54 within such five-year period shall constitute a conviction. For the
33 purposes of this paragraph, a plea of nolo contendere and all prior accepted pleas of nolo
34 contendere to a charge of violating former Code Section 40-6-391 or Part 2 of Article 15
35 of Chapter 6 of this title within five years, as measured from the dates of previous arrests
36 for which convictions were obtained or pleas of nolo contendere were accepted to the

1 date of the current arrest for which a plea of nolo contendere is accepted, shall be
2 considered and counted as convictions.

3 (4) For the purpose of determining whether a person was previously convicted of an
4 offense subject to suspension under this Code section, convictions for violations of
5 former Code Section 40-6-391 shall be given the same effect as convictions for violations
6 of Part 2 of Article 15 of Chapter 6 of this title for the purpose of this Code section if the
7 arrest or arrests for such violations occurred on or before June 30, 2006.

8 (b) The periods of suspension provided for in this Code section shall begin on the date the
9 person is convicted of an offense listed in Code Section 40-5-54 or of violating former
10 Code Section 40-6-391 or Part 2 of Article 15 of Chapter 6 of this title.

11 (c) In all cases in which the department may return a license to a driver prior to the
12 termination of the full period of suspension, the department may require such tests of
13 driving skill and knowledge as it determines to be proper, and the department's discretion
14 shall be guided by the driver's past driving record and performance, and the driver shall
15 pay the applicable restoration fee. In addition to any other requirement the department may
16 impose, a driver's license suspended as a result of a conviction of a violation of former
17 Code Section 40-6-391 or Part 2 of Article 15 of Chapter 6 of this title shall not become
18 valid, shall remain suspended, and shall not be returned to such driver or otherwise
19 reinstated until such person submits proof of completion of a DUI Alcohol or Drug Use
20 Risk Reduction Program."

21 SECTION 2-25.

22 Said title is further amended by striking Code Section 40-5-63.1, relating to clinical
23 evaluation and substance abuse treatment programs for certain offenders, and inserting in lieu
24 thereof a new Code Section 40-5-63.1 to read as follows:

25 "40-5-63.1.

26 In addition to any and all other conditions of license reinstatement, issuance, or restoration
27 under Code Section 40-5-58, 40-5-62, or 40-5-63, any person with two or more convictions
28 of violation of former Code Section 40-6-391 or Part 2 of Article 15 of Chapter 6 of this
29 title within five years, as measured from the dates of previous arrests for which convictions
30 were obtained to the date of the current arrest for which a conviction is obtained, shall be
31 required to undergo a clinical evaluation and, if indicated by such evaluation, must
32 complete a substance abuse treatment program, provided that such evaluation and treatment
33 shall be at such person's expense except as otherwise provided by Code Section 37-7-120.
34 Acceptable proof of completion of such a program must be submitted to the department
35 prior to license reinstatement, issuance, or restoration. For purposes of this Code section,

1 a plea of nolo contendere to a charge of violating former Code Section 40-6-391 or Part 2
2 of Article 15 of Chapter 6 of this title and all prior accepted pleas of nolo contendere within
3 five years, as measured from the dates of previous arrests for which convictions were
4 obtained or pleas of nolo contendere were accepted to the date of the current arrest for
5 which a plea of nolo contendere is accepted, shall be considered and counted as
6 convictions."

7 **SECTION 2-26.**

8 Said title is further amended by striking subsections (a) and (e) of Code Section 40-5-64,
9 relating to limited driving permits for certain offenders, and inserting in lieu thereof new
10 subsections (a) and (e) to read as follows:

11 "(a) *To whom issued.*

12 (1) Notwithstanding any contrary provision of Code Section 40-5-57 or 40-5-63 or any
13 other Code section of this chapter, any person who has not been previously convicted or
14 adjudicated delinquent for a violation of former Code Section 40-6-391 or Part 2 of
15 Article 15 of Chapter 6 of this title within five years, as measured from the dates of
16 previous arrests for which convictions were obtained or pleas of nolo contendere were
17 accepted to the date of the current arrest for which a conviction is obtained or a plea of
18 nolo contendere is accepted, may apply for a limited driving permit when and only when
19 that person's driver's license has been suspended in accordance with paragraph (2) of
20 subsection (a.1) of Code Section 40-5-22, subsection (d) of Code Section 40-5-57,
21 paragraph (1) of subsection (a) of Code Section 40-5-63, or paragraph (1) of subsection
22 (a) of former Code Section 40-5-67.2, or subsection (e) of Code Section 40-5-208.

23 (2) Any person whose driver's license has been suspended and who is subject to a court
24 order for installation and use of an ignition interlock device as a condition of probation

1 measured from the dates of previous arrests for which convictions were obtained to the
2 date of the current arrest for which a conviction is obtained, the period of suspension
3 shall be for not less than 180 days. At the end of 180 days, the person may apply to the

25 (3) Upon the third conviction of any such offense within five years, as measured from
26 the dates of previous arrests for which convictions were obtained to the date of the
27 current arrest for which a conviction is obtained, such person's license shall be suspended

11 (ii) Receiving scheduled medical care or obtaining prescription drugs;

12 (iii) Attending a college or school at which he or she is regularly enrolled as a
13 student; or

14 (iv) Attending regularly scheduled sessions or meetings of support organizations for

"40-6-392.

1 ~~(a) Upon the trial of any civil or criminal action or proceeding arising out of acts alleged~~
2 ~~to have been committed by any person in violation of Code Section 40-6-391, evidence of~~
3 ~~the amount of alcohol or drug in a person's blood, urine, breath, or other bodily substance~~
4 ~~at the alleged time, as determined by a chemical analysis of the person's blood, urine,~~
5 ~~breath, or other bodily substance shall be admissible. Where such a chemical test is made,~~
6 ~~the following provisions shall apply:~~

7 ~~(1)(A) Chemical analysis of the person's blood, urine, breath, or other bodily substance,~~
8 ~~to be considered valid under this Code section, shall have been performed according to~~
9 ~~methods approved by the Division of Forensic Sciences of the Georgia Bureau of~~
10 ~~Investigation on a machine which was operated with all its electronic and operating~~
11 ~~components prescribed by its manufacturer properly attached and in good working order~~
12 ~~and by an individual possessing a valid permit issued by the Division of Forensic~~
13 ~~Sciences for this purpose. The Division of Forensic Sciences of the Georgia Bureau of~~
14 ~~Investigation shall approve satisfactory techniques or methods to ascertain the~~
15 ~~qualifications and competence of individuals to conduct analyses and to issue permits,~~
16 ~~along with requirements for properly operating and maintaining any testing instruments,~~
17 ~~and to issue certificates certifying that instruments have met those requirements, which~~
18 ~~certificates and permits shall be subject to termination or revocation at the discretion of~~

20 ~~(B) In all cases where the arrest is made on or after January 1, 1995, and the state selects~~
21 ~~breath testing, two sequential breath samples shall be requested for the testing of alcohol~~
22 ~~concentration. For either or both of these sequential samples to be admissible in the~~
23 ~~state's or plaintiff's case in chief, the readings shall not differ from each other by an~~
24 ~~alcohol concentration of greater than 0.020 grams and the lower of the two results shall~~
25 ~~be determinative for accusation and indictment purposes and administrative license~~
26 ~~suspension purposes. No more than two sequential series of a total of two adequate~~
27 ~~breath samples each shall be requested by the state; provided, however, that after an~~
28 ~~initial test in which the instrument indicates an adequate breath sample was given for~~
29 ~~analysis, any subsequent refusal to give additional breath samples shall not be construed~~
30 ~~as a refusal for purposes of suspension of a driver's license under Code Sections 40-5-55~~
31 ~~and 40-5-67.1. Notwithstanding the above, a refusal to give an adequate sample or~~
32 ~~samples on any subsequent breath, blood, urine, or other bodily substance test shall not~~

~~(2) When a person shall undergo a chemical test at the request of a law enforcement officer, only a physician, registered nurse, laboratory technician, emergency medical technician, or other qualified person may withdraw blood for the purpose of determining the alcoholic content therein, provided that this limitation shall not apply to the taking of breath or urine specimens. No physician, registered nurse, or other qualified person or employer thereof shall incur any civil or criminal liability as a result of the medically proper obtaining of such blood specimens when requested in writing by a law enforcement officer;~~

~~(3) The person tested may have a physician or a qualified technician, chemist, registered nurse, or other qualified person of his own choosing administer a chemical test or tests in addition to any administered at the direction of a law enforcement officer. The justifiable failure or inability to obtain an additional test shall not preclude the admission of evidence relating to the test or tests taken at the direction of a law enforcement officer; and~~

~~(4) Upon the request of the person who shall submit to a chemical test or tests at the request of a law enforcement officer, full information concerning the test or tests shall be made available to him or his attorney. The arresting officer at the time of arrest shall advise the person arrested of his rights to a chemical test or tests according to this Code section.~~

~~(1) If there was at that time an alcohol concentration of 0.05 grams or less, the trier of fact in its discretion may infer therefrom that the person was not under the influence of alcohol, as prohibited by paragraphs (1) and (4) of subsection (a) of Code Section 40-6-391; or~~

~~(2) If there was at that time an alcohol concentration in excess of 0.05 grams but less than 0.08 grams, such fact shall not give rise to any inference that the person was or was not under the influence of alcohol, as prohibited by paragraphs (1) and (4) of subsection (a) of Code Section 40-6-391, but such fact may be considered by the trier of fact with other competent evidence in determining whether the person was under the influence of alcohol, as prohibited by paragraphs (1) and (4) of subsection (a) of Code Section 40-6-391.~~

~~(c)(1) In any civil or criminal action or proceeding arising out of acts alleged to have been committed in violation of paragraph (5) of subsection (a) of Code Section 40-6-391, if there was at that time or within three hours after driving or being in actual physical control of a moving vehicle from alcohol consumed before such driving or being in actual physical control ended an alcohol concentration of 0.08 or more grams in the person's blood, breath, or urine, the person shall be in violation of paragraph (5) of subsection (a) of Code Section 40-6-391.~~

~~(3) In any civil or criminal action or proceeding arising out of acts alleged to have been committed by any person in violation of subsection (k) of Code Section 40-6-391, if there was at that time or within three hours after driving or being in actual physical control of a moving vehicle from alcohol consumed before such driving or being in actual physical control ended an alcohol concentration of 0.02 grams or more in the person's blood, breath, or urine, the person shall be in violation of subsection (k) of Code Section 40-6-391.~~

~~(d) In any criminal trial, the refusal of the defendant to permit a chemical analysis to be made of his blood, breath, urine, or other bodily substance at the time of his arrest shall be admissible in evidence against him.~~

~~(e)(1) A certification by the office of the Secretary of State or by the Department of Human Resources that a person who drew blood was a licensed or certified physician, physician's assistant, registered nurse, practical nurse, medical technologist, medical laboratory technician, or phlebotomist at the time the blood was drawn;~~

~~(2) Testimony, under oath, of the blood drawer; or~~

~~(3) Testimony, under oath, of the blood drawer's supervisor or medical records custodian that the blood drawer was properly trained and authorized to draw blood as an employee of the medical facility or employer~~

~~"This breath-testing instrument (serial no. _____) was thoroughly inspected, tested, and standardized by the undersigned on (date _____) and all of its electronic and operating components prescribed by its manufacturer are properly attached and are in good working order."~~

~~When properly prepared and executed, as prescribed in this subsection, the certificate shall, notwithstanding any other provision of law, be self-authenticating, shall be admissible in any court of law, and shall satisfy the pertinent requirements of paragraph (1) of subsection (a) of this Code section and subparagraph (g)(2)(F) of Code Section 40-5-67.1 Reserved."~~
